ABOUT ME

My name is Peter, I am 30 years old. As the founder of a tech start-up in the USA, I found my passion for technology and social media. In the last 7 years I have acquired a lot of knowledge in the areas of social media marketing, marketing, startups and entrepreneurship. As a well-connected founder, I would like to help other entrepreneurs to present themselves on social media channels and thus increase their sales and increase their customer base.
